

AMENDMENTS TO THE SPECIFICATION

Please add the following new paragraph at page 9, line 19:

Fig. 4 shows a schematic perspective view of a vehicle, such as an APC, having a plurality of frame structures.

Please replace the paragraph on page 12, lines 15–20 with the following replacement paragraph:

Referring to Fig. 4, t[[T]]he textile armour 2 may be combined with other frame sections 7 to form a larger textile armour system. The textile armour system of the present invention is a versatile system which may be adapted to suit the needs of the user. The basic components of textile sections 4 attached to support members 7 may be combined in a variety of different ways to provide protection for a variety of objects 10. The many possible variations will be easily understood by the skilled person and the given examples merely show one possible embodiment.
